Internships in Shanghai, China

African Chamber of Commerce, Shanghai, China

Business Intern

As an aspiring leader in international business association, the African Chamber of Commerce promotes a healthy business environment for foreign companies and professionals operating and working in China. The Chamber encourages networking amongst business professionals and provides a platform for relationship building and knowledge exchange between African and Chinese businesses. The intern will assist with expanding membership across China, communicate with Chamber members, attend events, and learn more about recent trends in business.

American Chamber of Commerce, Shanghai, China

Communications Intern

The American Chamber of Commerce in Shanghai, known as the "Voice of American Business" in China, is the largest and fastest growing American Chamber in the Asia Pacific region. Founded in 1915, AmCham Shanghai was the third American Chamber established outside the United States. Alongside industry experts, the intern will cover events at the Chamber and research investments and health issues relevant to both the U.S. and China.

British Chamber of Commerce, Shanghai, China

Business Intern

The British Chamber of Commerce in Shanghai was established in 1915 and nowadays comprises over 1,200 members from over 300 companies. The British Chamber of Commerce is the largest and one of the most active British chambers in China. It provides members with a forum through which they can address issues facing foreign companies operating in China. The intern will attend business events, summarize meetings, assist in the planning and implementation of such events, develop marketing for the Chamber's website, and gain a better understanding of sales operations.

Da Cheng Law Offices, Shanghai, China

Law Intern

Founded in 1992, Da Cheng Law Offices is one of the first and largest partnership law firms in the country. The firm provides comprehensive, timely, and high quality professional legal services to clients both in and outside of China. The intern will conduct legal research, assist with drafting legal documents, examine various case studies, assist with the firm's blog and online presence, and take responsibility for the firm's materials production.

Essential Learning Group, Shanghai, China

Student Support Services Intern

The Essential Learning Group is a social enterprise dedicated to providing high quality, special education services in and around the Greater Shanghai Area. The company offers a full-time academic program for children who require more attention and specialization. The company works with Chinese schools to offer several unique support services to Chinese students, such as educational assessments, counseling, and various forms of therapy. The intern will provide support to the Client Services team by managing the client database, interacting with clients via email and phone, and reviewing individual student cases together with other team members.

Llinks Law Offices, Shanghai, China

Law Intern

Llinks Law Offices creates legal strategies for some of the first publically listed companies in China, and in doing so, controls foreign investor shareholders and creates investment vehicles by consolidating various foreign direct investments in China. The firm has also helped international banks set up their RMB finance and credit operations. The intern will participate in the firm's activities by proofreading the firm's legal documents, conducting legal research, participating in ongoing projects, editing correspondence between lawyers and businesses, and assisting with various marketing projects such as translating documents from Chinese to English.

River Delta Law Firm, Shanghai, China

Law Intern

Established in 2004, the River Delta Law Firm focuses on the theoretical study and practice of employment law. The firm is the earliest, largest, and unequivocally most dedicated employment law firm in China. The intern will have the unique opportunity to gain a better understanding of Chinese employment law while conducting research, presenting on legal research, writing legal articles to be published later via various company platforms, proofreading legal documentation, translating legal documents from Chinese to English, and participating in various outreach efforts.
