

Fact Sheet for Student Exchange Program

General Information

Name of University	University of Hohenheim
Profile	<p>With a unique and interdisciplinary profile in the fields of agricultural, natural and business, economics & social sciences, the University of Hohenheim is amongst the leaders in national and international university rankings.</p> <p>The University is located in Stuttgart, the capital of the south-western state Baden-Württemberg, and is one of the few campus universities in Germany. At the center of the campus is the baroque palace, surrounded by magnificent botanical gardens, sprawling parklands and experimental farming grounds.</p> <p>The University has a well-established worldwide exchange network, providing students of its many excellent partner universities with the opportunity to study in Hohenheim. Currently, more than 9700 students are enrolled at the University, with approximately 14% international students, coming from nearly 100 different countries.</p>
