

## International Exchange between the University of Georgia, Warnell School of Forestry & Natural Resources and the Swedish University of Agricultural Sciences (SLU)

UGA/Warnell students studying abroad would take two of these courses over one full semester (Fall or Spring). These are all considered MS level graduate courses and are populated by SLU Euroforester MS students (with occasional doctoral student participation).

These SLU courses are all offered in English at the Alnarp campus in Southern Sweden.

<b>SLU Code</b>	<b>SLU Course Title and Subject</b>	<b>Term</b>	<b>ECTS</b>	<b>UGA Code</b>	<b>UGA Course Title</b>	<b>Credit Hours</b>
SG0182	Sustainable Forestry in Southern Sweden	Fall – 1 8/29/16 – 10/31/16	15	FORS 7980	Forestry Problems	6
SG0185	Silviculture of Temperate Forests	Fall – 1 8/29/16 – 10/31/16	15	FORS 7980	Forestry Problems	6
