Test Results

No certificate will be issued for the completion of a placement test. The test cannot be "passed" or "failed". Instead, after the evaluation of the test, the results will be posted on the Language Center (*Sprachenzentrum*) website with a score out of 90 and the CEFR level (B1, B2 etc.) you should be working at. When you have the confirmation of your CEFR level, you can register for a course at the correct level.

If you have already taken an English course at the Language Center, you do not have to take a placement test again. Results of the test are valid for four semesters.
