Transcript availability	A Transcript of Records will be issued by the receiving institution no later than 5 weeks after the assessment period has finished at the receiving institution.														

Course Registration

Exchange students will send to UPNA their provisional enrollment.

Once in Pamplona, they have two weeks to formalize the final registration with the help of their academic coordinator.

At the arrival they have a welcome and orientation meeting, explaining all the issues the student needs (enrollment and other information of interest) to facilitate integration in Pamplona and in the university.
