Multivende

Firm's Profile: Multivende is a startup based in Santiago de Chile since late 2016. We currently offer a SaaS to 60 clients in 3 countries and expect to grow to 300 by 2018. Students will be part of the team and will have to apply their knowledge in content and lead generation with a strong (but not exclusive) focus in Digital Marketing. We are a young, highly proactive and effective team with members coming from 3 nationalities (Chilean, Venezuelan and Ecuadorian).

Searched Profile: We are looking for highly proactive people who like to hack things. Being a startup requires a strong "generate and test" mentality in order to find solutions in innovative ways. Spanish is not required at all, so you can start learning even from scratch :). Having previous experience on Digital Marketing, CRMs and other tools is not required but it would be great. We offer a great, flexible work environment, huge challenges and the opportunity to solve real problems in a fast-growing startup who aims to be the core of the Latin American e-commerce ecosystem.

Required Language: Spanish and/or english

Career Preference: Communication and design

Weekly Hours: Part Time - 1 Semester

Schedule: To be defined with student
