

## CRCC Asia Internship Placements in Beijing

Beijing is the capital of China juxtaposing a wealth of history with new business and international influences. Key placements in embassies, legal departments, non-profits and businesses supporting the large government hub can be found here. We have over 250 host companies actively supporting us in Beijing including over 40 supporting the Non-profit and NGO sector.

Company	Description
<b>Grok Global Services</b> Sector: Marketing and Communications Website: <a href="http://grokglobal.com">grokglobal.com</a>	Since 2005, Grok has helped more than 150 institutions to operate more effectively in China, India and Southeast Asia. Our clients use Grok to explore options and inform strategies; engage audiences on social media to build brand and reputation; and – within a legal, managed framework – deploy in-country staff to execute strategies with agencies, high schools and peer institutions.
<b>Lantai Partners</b> Sector: Legal Website: <a href="http://www.lantai.cn">www.lantai.cn</a>	Lantai Partners is a comprehensive partnership law firm with profound practice experience in many legal areas, providing internationalized, indigenous, comprehensive and pragmatic legal solutions for various transactions of both domestic and overseas clients. Lantai Partners was founded in May 2002. Lantai Partners has departments such as Labor Law, Pharmaceutical Law, Energy & Mining , & Immigration Consultation.
<b>Thirst4Water</b> Sector: Non-profit & NGO Website: <a href="http://www.thirstforwater.org/">www.thirstforwater.org/</a>	Thirst is a water conservation and education NGO, which seeks to educate and raise awareness about the water crisis in schools and universities across China. An initiative of the World Economic Forum, Thirst educate students about 'Virtual Water', the hidden water consumed in the manufacturing of a product or good, and seeks to inform the next generation of global consumers to make 'water-wise' consumer choices and to more generally reduce their water consumption. Having reached over 100,000 students with our WE Water Experience presentation, and a further 20,000 students through large scale activities and events, their dedicated team want to expand their operations.
<b>Carbon Trust</b> Sector: Non-profit & NGO Website: <a href="http://www.carbontrust.com">www.carbontrust.com</a>	The Carbon Trust is a prestigious NGO with headquarter located in London. Its Asian office is relatively small and the environment rather friendly. The organization contributes to a more sustainable future through carbon reduction, resource efficiency strategies and commercializing low carbon technologies.
<b>Malta Embassy</b> Sector: Non-profit & NGO Website: <a href="http://www.foreignaffairs.gov.mt">www.foreignaffairs.gov.mt</a>	The Embassy of Malta is responsible for the development and execution of Maltese Foreign Policy across China and maintaining favourable Sino-Malta relations. Since Malta's membership of the European Union began Malta can exert pressure not only at European Union level but also in the international scene and the Beijing Embassy is a key source of investment and trade for Malta. The Embassy upholds respect for sovereignty and self-determination, respect for international law, and supports co-operation among states and encouragement of opportunities of dialogue.
