CISI Travel Insurance Enrollment
Instructions for University of Georgia Students

*Please note: Students participating in official UGA Faculty Led and Residential Center programs (full list here) are automatically enrolled in insurance for their official program dates, plus one additional day on each end (to account for travel delays). If you have any questions, contact the Office of International Education.

   Note: this is a special link and not the CISI homepage.

2) Check the box to agree to the terms and conditions and then press Submit
3) Fill in the following information:
   a. Sponsor Code is **USGA-UGA** (it should be pre-filled)
   b. Coverage Start Date is the day that you *leave* for your program*
   c. Coverage End Date is the day that you *return* from your program*
      i. **Please note:** Students participating in official UGA study abroad programs are already covered for their official program dates, plus one additional day on each end (to account for travel delays). If you want to enroll for additional travel, you should end your enrollment two days before your official program dates, or start it two days after. For example, if your program ends on April 9th, you will be covered through April 10th by your program. If you want to travel after your program, you should start your enrollment on April 11th. If you have any questions, contact the Office of International Education.
   d. Birth Date is your date of birth in the format DD-MMM-YYYY
   e. Country is the **first** (or only) country you will travel to.
   f. City is the **first** (or only) city you will travel to.
   g. Press **Next**.
4) Make sure the policy is selected and then press Next.
